THE CYCLE OF CONFLICT

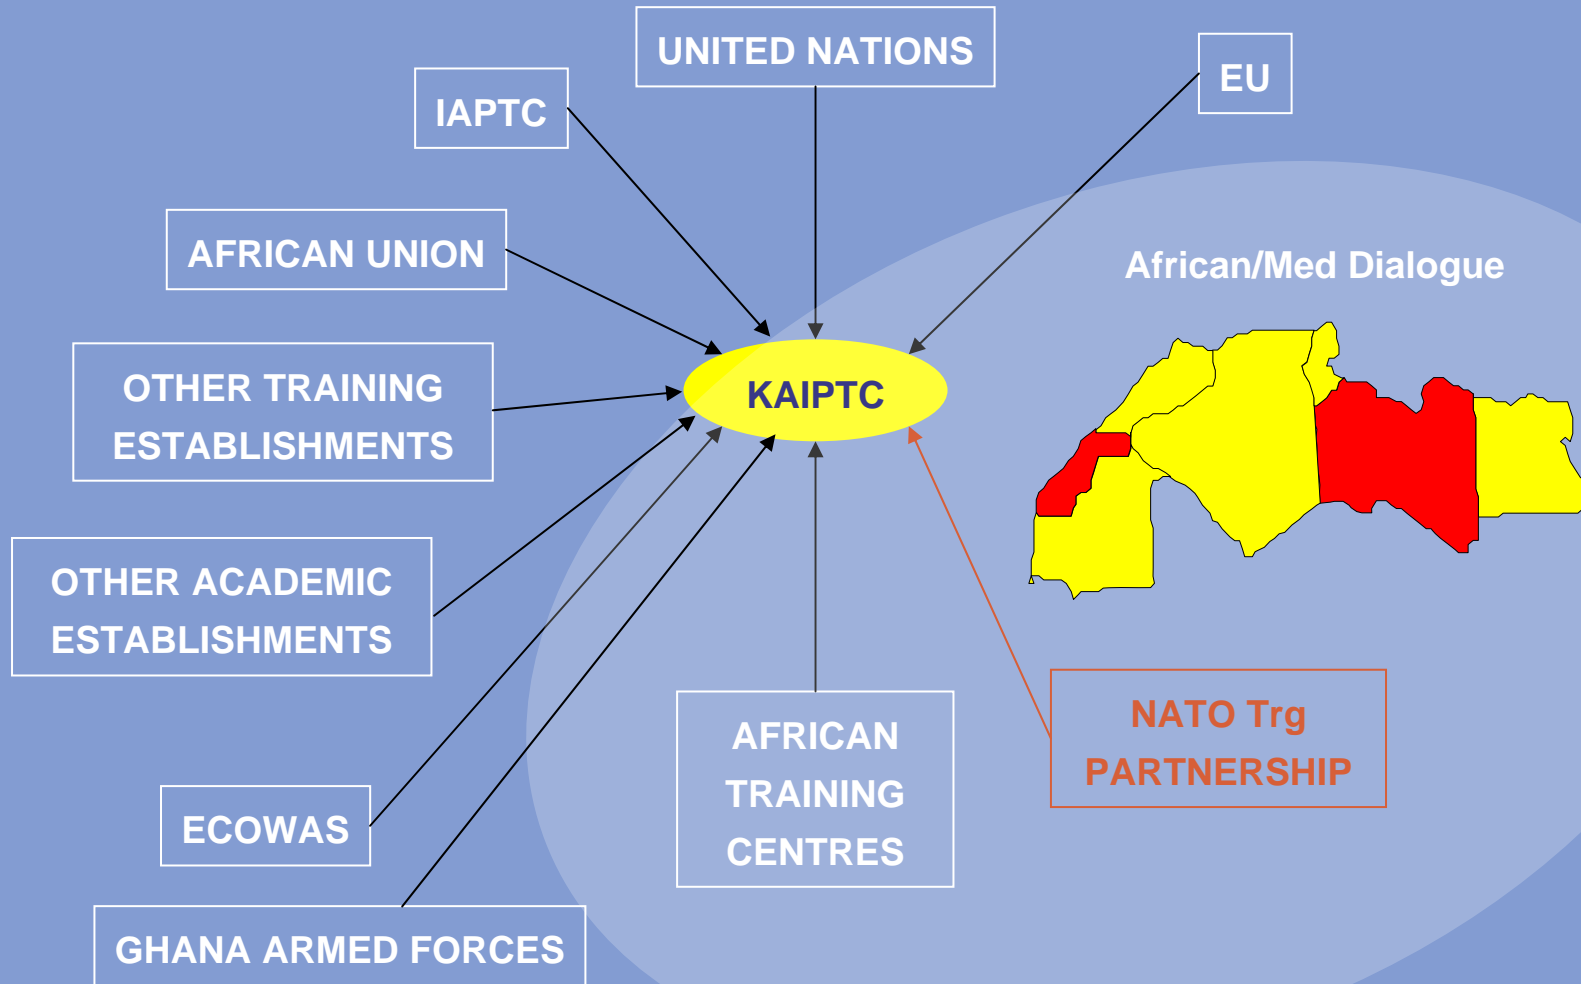

Kofi Annan International Peacekeeping Training Centre (KAIPTC)

Peacekeeping Netzwerk

Kofi Annan International Peacekeeping Training Centre (KA IPTC)

The nature of the Centre

- Regional (ECOWAS) focus.
- Supported by international donors/stakeholders.
- Engaging all components of peace support community.
- Operational and multi-faceted; in collaboration with Nigerian Defence College and EMP in Mali.
- A high calibre staff with regional and international representation.

Our vision

“The Kofi Annan International Peacekeeping Training Centre to become an international Centre of Excellence; for training, conflict prevention, management and resolution, research and innovative thinking in Integrated Peace Support Operations (IPSO) delivering sustainable enhancement to regional capacity building.”

Kofi Annan International Peacekeeping Training Centre (KA IPTC)

Our mission

“To develop and deliver internationally recognised and professional training courses and related programmes in order to equip personnel with selected skill competencies required to meet Africa’s present and future complex peace and security challenges.”

Kofi Annan International Peacekeeping Training Centre (KA IPTC)

Headline strategic objectives:

- Close collaboration with ECOWAS, the AU, UN and other stakeholders.
- Deliver recognised Integrated PSO Training.
- Undertake original, innovative and comprehensive research.
- Promote Capacity Building to improve organisations and institutions.
