NATIONAL DEMOCRATIC PARTY (NDP) MANIFESTO ELECTION
CAMPAIGNING 2009

1. **SYSTEM OF GOVERNMENT:** The National Democratic Party (NDP) favors the Federal System of the government which can accommodate all ethnic groups (tribes) and all political parties registered in Namibia. The Federal State system has achieved in Nigeria, Tanzania, USA, Australia and Europe.

2. **THE RESOURCES OF THE COUNTRY:** The National Democratic Party (NDP) will control the resources of the country by set-up a National Resources Committee which will divide, distribute and control the resources of the country as the resources of the country belong to the people not to the Cabinet. It is people's resources the government only monitors and to oversee to it that it is well controlled and well distributed to all citizen to have a share.

3. **INDEPENDENT ORGANISATIONS:** The National Democratic Party (NDP) will allow all independent organizations to run its affairs without interference with the government as follows:

- An independent electoral commission
- Anti corruption commission
- An independent office of an ombudsman
- An independent legal assistance centre and extra and extra

4. **POVERTY + UNEMPLOYMENT:** The National Democratic Party (NDP) will set-up an independent poverty + unemployment commission on which will see to it that jobs are been created and to root-out poverty or to work for poverty-reduction in the country.

5. **WELFARE OF THE SENIOR CITIZENS AND WELFARE OF ALL CITIZENS IN THE COUNTRY:** The National Democratic Party (NDP) will increase the income to the senior citizens to get each of them N\$1000-00 or over, so that they can be able to live for a month with N\$1000-00 or over. The National Democratic Party (NDP) will set-up an assistance fund commission which will assist the entire unemployed citizens to get an

income per month until such person has been given a job or has found a job. For the salary of between N\$500-00 and above in order to gain a living.

6. INDEPENDENT AUDITORS COMMISSION: The National Democratic Party (NDP) will set up an independent auditors commission in order to audit and investigate financial reports and report to the nation how money has been used both money received from the donors and money within the country or public money so that the public must be informed including in form of donations received from abroad or locals.

7. DEMOCRACY + MULTI PARTY SYSTEM: The National Democratic Party (NDP) believes in democracy and multi-party system where there is democracy there is multi-party system. The two are married together and it includes peace, free and fair elections.

8. FREEDOM OF ASSOCIATION OR FREEDOM OF PRESS OR MEDIA: The National Democratic Party (NDP) which believes in democracy and multi-party system allows a freedom of association and freedom of press or media it will allow any person to form or join any organization or political party of his/her choice and allow freedom of his or her opinions through all forms of media including newspapers, magazines, radio, T.V and extra in order to promote the freedom of press and media without the government to intervene with the media.

9. NDP CABINET: The National Democratic Party (NDP) will consist of about 25 ministers from all ethnic groups (tribes) and deputy ministers, permanent secretaries and deputy permanent secretaries without discrimination as its people's party and the cabinet is people's cabinet.

10 REPRESENTATIVES IN PARLIAMENT: The National Democratic Party (NDP) will present its list of parliament seats as 50-50 men and women representatives. And also in the local authority elections in order to prove that it represents all people in the country including the disabilities.

11. EDUCATION: The National Democratic Party (NDP) will renew the current education system in order to allow the elders, those still need to educate themselves, so that education must be open to all both young and adult by accommodating them for full time or part time studies and the learners from 0 to senior secondary school grade (12). They will be allowed

to study for free education. Education schools will be open to all places in order to promote education for all.

12. ON HEALTH: The National Democratic Party (NDP) will open more clinic, health centers and more hospitals in all regions in all countries so that people or patients will not be affected by distances of walking to the nearest clinic or health centers or hospitals and set-up mobile clinic to the places where is not necessary for a clinic. The NDP will select a country with professional in health to order the doctors to assist our country for the period of ten (10) years and within ten (10) years our citizens will be sent for training so that after ten (10) years we will have our own special doctors in the country. The senior citizens will not have to pay for the medication or no patient will turn back because he or she does not have money to pay as NDP will promote free health.

13. ECONOMIC GROWTH: The National Democratic Party (NDP) will promote the economic growth of the country by set-up the economic growth fund commission who will see to it that the economic of the country is growing from strength to strength in order to root-out poverty or to promote poverty reduction for a certain period so that after the period of ten (10) years or five (5) years a citizen in the country is able to gain a living. The NDP will set up a small loan strategy to assist the poor people those who want to start with small scale business, so that they can be assisted to start with their business by encouraging the various companies including banks to assist the business people to gain a small loan grants.

14. MILITARY OR ARMY: The National Democratic Party (NDP) will introduce a national service in army after completed a secondary senior grade (12), he or she is required to undergo national service for a period of two (2) years before is been sent to go for his or her course of his or her choice in order to reduce unemployment.

15. THE 13 POLITICAL REGIONS AND CONSTITUENCIES OF NAMIBIA: The National Democratic Party (NDP) will review the 13 regions as some of the regions are qualified to be divided into two (2) regions or are qualified for more than 6 or 9 constituencies in Namibia to enable the regional counselors to reach the people. The boundary commission will be independent in order to do its task or job accordingly.

16. RECRUITING AND PROMOTIONS IN THE GOVERNMENT RUN BY NDP: The NDP government will recruit and promote all citizens equal and promote all persons according to merit and qualifications and not by political agenda.

17. FEDERAL STATES SYSTEM: The NDP will set up independent administrations, each region or province to run and administer its affairs without interfering with central government.

18. POLITICAL PARTIES RESOURCES: The NDP will review and amend the bill of political parties budget as follows: The all registered political parties in Namibia will be treated equally and they will have same share without considering whether is so called small party or major party or having seat or without a seat in the parliament, they will be treated equally so long the party is officially registered.

19. SALARIES OF THE MEMBERS OF CABINET AND MEMBERS OF PARLIAMENT, REGIONAL COUNCILLORS AND LOCAL TOWN COUNCILLORS: Will be approved by the parliament after the publics opinions have been taken into consideration.

20. WATER CRISIS: The NDP government will provide water to all citizens and animals by introducing the solar system, boreholes, windmills and all system so that all citizens can be able to get water and water for their animals, the long strategic system where the system can provide water for a long time will an advantage water system for the NDP government. So that the NDP can reduce the drought relief program.

21. THE STATE FUND PUBLIC FUND: The NDP will make sure that the public funds are been used by its purposes not misused. The public funds will be used to build hospitals, clinics, health centers, public roads, build schools. To buy medicines for the clinics, health centers and for the hospitals. To develop all regional mostly those regions who were neglected by the former colonies and for the Germany, South Africa apartheid regime.

22. CORRUPTION: NDP government will root out corruption by establishing an independent anti-corruption to start investigating the public money since Namibia's independence from 1990 till now. Those who have stolen public funds they have to be brought to book to be punished and to pay back the funds they have stolen from the public. The anti-corruption

commission will also give power to be fully independent so that they can carryout its function and duties independently without any interfering from government.

22. **POVERTY – UN-EMPLOYMENT AND UNDER DEVELOPED:** - The NDP will assist the citizens by building shelter or a house for its citizens by set up a committee which will list up the names of those needing shelter or a house so that they can makeup work plan strategies that every year a certain number of people get houses or shelter. They must be built for the period of 2010 – 2030. This money will come from the government housing fund.

– The NDP will also create more jobs for the citizens by setup employment and development fund commission which will see to it that employment is being created for the people and as well as to develop the country especially the rural areas and town, those who were neglected by both former British Colony, Germany and former South Africa apartheid regime and the currently SWAPO dictatorship regime.

23. **THE YOUTH:** The NDP government will make sure that it establish youth forum and youth programs to assist the youth with employment training programs (courses), scholarship assistance, bursaries to enable them to further their education and to be employed in both institutes. The NDP will establish a youth fund commission to run their programs because the youth are the tomorrow leaders.

24. **WOMEN EMPOWERMENT:** The NDP will set up a commission which will promote both men and women to be represented in both government institution and private institutions so that women can play a very big role which man are playing currently and by not discriminating women as they are our mothers who are taking care of men from a baby-boy to become a boy or a man, it is because of women, they must enjoy that benefits to become as leaders and decision making boards.

25. **VULNERABLE GROUPS:** The NDP government will assist all vulnerable groups including orphans by setup and establish the vulnerable groups' assistance fund which will provide all form of assistance including financial assistance.

26. **POLICE:** The NDP will divide the police structures according to the regions or province. It will be a national uniform with national police

badges and it will also be provincial or regional uniform with regional police badges. It will be one national inspector general of the police and deputy inspector generals for the regions or provinces. The police regional deputy inspector generals. The national police inspector general will be assisted by the police national deputy inspector general.

27. BUDGETS OR RESOURCES FOR NATIONAL EVENTS AND FOR REGIONAL GOVERNMENTS UNDER NDP FEDERAL STATE SYSTEM: The NDP will provide and distribute the resources for national events to all regions or provinces of Namibia with equal share without looking at the number of population. The NDP will also distribute and provide the national budget for all regions with equal same share and it will differ sometime to those regions underdeveloped. They will get more share than others who were already developed by the regimes those mentioned above as we were already benefited from those regimes.

28 TRADITIONAL LEADERS, KINGS, CHIEFS, SUB-CHIEFS, INDUNAS AND EXTRA: The NDP government will only recognize Kings, Chiefs and Sub-chiefs those who got a history background of royal blood family who owned the land, people or tribe which got already along history. The NDP government will not have political influence on the tribal authority as traditional leaders are not politician. Their task as kings, chiefs, sub-chiefs or indunas is to take care of their subjects and to run the tribal authority but not part and parcel of politics.

29. ON EDUCATION: NDP will review the current system of national education. It will abolish the Down Grade school and learners will be allowed to repeat their grades when they fail until they pass their grades. No ages will be considered to chase out the learners from school as education is open to all young and old people those who wish to study and to upgrade their qualifications.

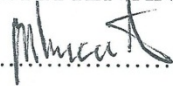

30. ON TRADITIONAL LEADERS: The NDP government will assist the traditional leaders like kings, chiefs, sub-chiefs, silalo indunas to provide them with official transport by allocating vehicles to each of the king, chief, sub-chief, and silalo induna with better allowance salaries for the traditional leaders. They will be more respected as ever person is coming from tradition. They are not political leaders but traditional leaders. The maintenance of those vehicles owned by the traditional leaders will be the responsibility of the government garage.

31. **ON AGRICULTURE:** The NDP will setup agriculture development assistance fund commission in order to assist the farmers and all citizens who want to farm in the farming sector both commercial and communal farming by introducing all the resources for cultivating the land and financial equipment. And they will provide assistance in all farming sector in the form of loan assistance in order to turn Namibians to have more food and to export food to feed the entire Africa and the World at large since the land in Namibia is so fertile. Any kind of food can grow in our soil. We will open many agricultural colleges in many regions to promote agriculture.
32. **TOURISM AND FORESTRY:** The NDP government will promote tourism and forestry by setup a committee which will see on the development of the tourism and forestry in the country to enable the citizens to undergo and assist them with funds to start their business in tourism, by set up camping sites, lodges, hotels to encourage the tourism and forestry to develop from strength to strength and it must benefit the country and its people both financial and other resources which can generate through tourism and forestry. And all resources of the country belong to the people. They will be trained in agriculture, tourism and forestry.
33. **DISABLED AND DEAF PEOPLE:** The NDP will have disabled people and deaf people be represented in both national and regional structure of the party since it is voice of the people and people's party. The NDP government will have a disabled candidate and deaf candidate or representatives in both the cabinet and parliament.
34. **CRIME:** The NDP government will create more jobs for the citizens in order to reduce crime. If most of the citizens can be able to gain a living then crime can be rooted out and Namibia become free from crime. Both military service-men and police officers will be deployed at the border territory lines to protect the country with its people and properties so that no criminal elements are taking place day and night at the border lines. Both the army and the police will be equipped with all resources and equipments to enable them to do their duties perfectly.
35. **ECONOMIC AFFAIRS:** The NDP will invite the well developed countries to come and setup business in Namibia and to create more jobs for the citizens and to come and invest in the country and to be given a mandate in order to assist the local citizens in the various scales and to assist to

develop the country through their experience and scales and professional so that for that period the economic of the country can grow to develop the country with its citizens.

- The NDP will introduce a motion for the review and amendment Act of the Veteran affairs Act which will include and define as follows:
The former fighters, those who fought German Regime the Ovaherero's and Nama's, where millions of Ovaherero's and Nama's were slaughtered by the German Regime.
- Those who fought political liberation struggle inside Namibians, these including. SWARA, SWANU.
- D.T.A, OPO in Namibia and CANU in Capirivi strip
- Second: The Namibians who fought the war as military soldiers at the side of the German forces.
- The Third: The Namibians who are served in the former transition Government which lead for the independence of Namibia as they were representing their Home-lands and their tribal Ethnic Groups in Namibia and Capirivi strip.
- The former plan combatants or fighters.
- The former Konfurd force those who fought alongside the South African (apartied) forces.
These former forces assisted to prevent the terrorists to destroy the structures in Namibia and also protected the citizens in side not to be assassinated by the freedom fighters or terrorists. Who were planting bombs inside Namibia where innocent Namibians were killed.
- The NDP will introduce the Truth & Reconciliation commission to be established in Namibia in order for all people who have committed Genocide in Namibia and in Exile they should apologize publicly to the victims before the Truth & Reconciliation commission in this case it will clean the names of those who are innocent and been suspected to have played a role of slaughtering and killing innocent Namibians in side Namibia and Outside Namibia and give the room to those culprits.
