

## Terms of Use

### Contents of the online offer

The Konrad Adenauer Stiftung e.V. (in the following "KAS") reserves the right not to be responsible for the topicality, correctness, completeness or quality of the information provided. Liability claims against the KAS, which refer to material or non-material damage caused by the use or non-use of the information provided, or by the use of incorrect or incomplete information, are generally excluded, unless there is evidence of wilful intent or gross negligence on the part of the KAS.

All offers are subject to change and without obligation. Parts of the pages or the complete publication including all offers and information might be extended, changed or partly or completely deleted by KAS without separate announcement.

### References and links

The KAS is not responsible for any contents linked or referred to from his pages - unless he has full knowledge of illegal contents and would be able to prevent the visitors of his site from viewing those pages.

The KAS hereby expressly declares that at the time the links were created, no illegal content was discernible on the linked pages. KAS has no influence on the current and future design, content or authorship of the linked pages. For this reason, the KAS hereby expressly distances itself from all contents of all linked/referenced pages that were changed after the link was set. This statement applies to all links and references within the KAS own internet offer as well as to external entries in discussion forums and mailing lists set up by the KAS.

For illegal, incorrect or incomplete contents and in particular for damages resulting from the use or non-use of such information, the provider of the page to which reference is made is solely liable, not the person who merely refers to the respective publication via links.

### Copyright and trademark law

The KAS endeavours to observe the copyrights of the graphics, sound documents, video sequences and texts used in all publications, to use graphics, sound documents, video sequences and texts created by the KAS itself or to use graphics, sound documents, video sequences and texts that are in the public domain.

All brand names and trademarks mentioned within the Internet offer and possibly protected by third parties are subject without restriction to the provisions of the respective valid trademark law and the ownership rights of the respective registered owners. The mere mention of a trademark does not imply that it is not protected by third party rights.

The copyright for published objects created by KAS itself remains solely with KAS. Any duplication or use of objects such as images, diagrams, sounds or texts in other electronic or printed publications is not permitted without KAS' agreement.
