## INVITATION TO EXHIBIT

### SAIIA / KAS CAREERS EVENING FOR STUDENTS

**Tuesday 10 October 2017 from 5pm, New Lecture Theatre, Upper Campus, UCT**

South African Institute of International Affairs (SAIIA) Western Cape is arranging a careers information evening for political science and other students, specifically, those with an international affairs interest! Students from all the local universities will be invited.

It will take place on **10 October from 5 – 7:30pm** in the **New Lecture Theatre, Upper Campus, UCT**.

We would like to know if you would like to take part as an exhibitor in the SAIIA/KAS Careers Evening for 2017.

The format is a one hour session with three/four key speakers, followed by an hour of access to specialist counsellors and exhibitors in the atrium space. Refreshments will be provided. We invite students from all the universities and technicons in the Cape Town surrounding areas to attend who have an interest in international affairs.

This event is sponsored by the Konrad-Adenauer-Stiftung [KAS]. There is no charge for exhibiting.

**We are appealing to organisations and individuals who have relevant experience/backgrounds to help us provide exhibits to students on careers with an international affairs slant.** The field is very wide and includes:

<b>Diplomats</b>	<b>Researchers</b>	<b>Consultants</b>
<b>Journalists</b>	<b>Negotiators</b>	<b>Academics</b>
<b>Military officers</b>	<b>Election monitors</b>	<b>Peace mission officials</b>
<b>Aid and relief workers</b>	<b>Managers in global business concerns</b>	
<b>Politicians, political analysts, political advisors</b>		<b>Bankers</b>

**Officials of international organizations such as the United Nations**

**Lawyers: general international law, trade law, maritime law, humanitarian law, etc**

**Organisers in non-governmental organizations [NGOs] and not for profit organisations [NPOs]**

We would be thrilled to have you take part in this exciting event. If you have business or other interests that would benefit from being an exhibitor at this event, or if you can offer access to scholarships or internships, please come forward!

If you would like to exhibit or for more information, please email Pippa on [wcbranch@saiia.org.za](mailto:wcbranch@saiia.org.za) or call **083 305 2339**.
