The Dullah Omar Institute and the Faculty of Law honour the late Dullah Omar, by hosting an annual lecture on human rights and democracy in his name.

Graça Machel is one of the world's leading advocates for women, children, and communities affected by conflict and injustice. After the declaration of Mozambique's independence, she became the country's first Education Minister. She established the Graça Machel Trust in 2010 as a Pan-African advocacy organisation focused on child health and nutrition, education, women's economic and financial empowerment, leadership and good governance.
