

Cape Town, 20th of August 2018

Dear Sir/Madam,

Play Handball in collaboration with the Konrad-Adenauer-Stiftung (KAS) wish to invite you to participate in the 3rd climate-neutral handball tournament series in South Africa an **educational Programme that combines Environmental Awareness with the team sport Handball to ENHANCE ENVIRONMENTAL AWARENESS AMONG OUR YOUTH.**

PLAY HANDBALL SUPERCUP

“play fair for a sustainable future”

Saturday 27th of October 9 am to 5 pm

Where: Hindle Road Primary School, Delft, Cape Town (outdoor-sports-field)

The **PLAY HANDBALL Supercup** is a unique tournament series in South Africa that combines Sport with **Environmental Awareness**. The aim of the tournament is to reach out with sport to the youth, bring kids from various schools and cultural backgrounds together and to enhance environmental awareness among our youth in combination with playing handball. Special emphasis is placed on educating young South Africans to live more sustainable and environmentally responsible within our communities.

Play Handball has developed in co-operation with the German Sports University in Cologne an Educational Training Manual that integrates Environmental Education with Sport. The manual is in line with the Life Orientation topic Environmental Awareness. Educational modules include information on reduce, reuse and recycle waste, air, soil and water. This manual will assist teachers and coaches how to educate children and youth in a playful way to make an environmental impact whilst building a sense of responsibility and consciousness on environmental matters. The **“Play Fair for the Environment”-Manual will be launched as part of this year’s Supercup**. Teacher will be given a **train-the-trainer workshop**. The date and venue for the workshop will be confirmed soon in a separate invitation.

Nelson Mandela once said, “Sport speaks to the youth in a language they understand,” and we conquer with this.

If you're interested, may you kindly fill in the attached **registration** form for your school and send it back to us **by September 14th 2018** on the following email address: info@play-handball.org.

Should you have any queries or need clarification on the event, kindly contact Nicola on mobile phone number +27 72 4014 375 or via e.mail.

Yours Sincerely,

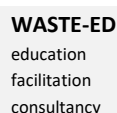

Nicola Scholl (Director PLAY HANDBALL)
