PLAY HANDBALL SUPERCUP

play fair for a sustainable future

Where: Sinaba Stadium, 5547 Eiselen St, Daveyton, Benoni, 1520

When: Sat, 20th of October 2018, 9am to 5:00 pm

Programme – Status 09-10-2018:

The PLAY HANDBALL Supercup is a unique tournament series in South Africa that combines Sport with Environmental Awareness. The aim of the tournament is to reach out with sport to the youth, bring kids from various schools and cultural backgrounds together and to enhance environmental awareness among our youth in combination with playing handball. Special emphasis is placed on educating young South Africans to live more sustainable and environmentally responsible within our communities.

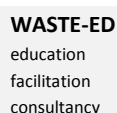

Hosted by PLAY HANDBALL ZA, Responsible for Tournament co-ordination: Nicola Scholl; Assistance Simphiwe Mahlayana; Responsible for ECO-Trail by Waste-ED: Candice Mostert

Team Project that needs to be fulfilled before the tournament:

We ask you to do an ENVIRONMENTAL AWARENESS PROJECT to be carry-out before the tournament at your school/club. The main topic for this year's project is ZERO-Waste School. Come up with ideas how to become a ZERO-Waste School and showcase them at the tournament: Please prepare for the tournament:

- **Create a poster "Our Zero-Waste-School"** or other items to showcase in an exhibition (**Proof of Action**)
- **Extra-Points will be given for ECO-Bricks-Challenge:** Do a Community and School-Clean-Up with your team/school, produce Eco-bricks from non-recyclable plastic and bring them to the tournament.

PLEASE NOTE: Teams who are not able to fulfil the requested task and don't bring their proof of action to the tournament, points will be deducted in the general handball competition.
