Honorary Lecture · Erelesing

Dear friends of the FVZS Institute,

The Rector and Vice-Chancellor of Stellenbosch University (SU), Prof Wim de Villiers, cordially invites you to the annual Frederik Van Zyl Slabbert (FVZS) honorary lecture. This year's lecture will be delivered by award-winning writer, editor, satirist and columnist Ms Marianne Thamm.

Ms Thamm is assistant editor of the *Daily Maverick*, a top-selling author, comedian and commentator at large. She has written several successful books, including *Hitler, Verwoerd, Mandela and Me* and Alison Botha's story, *I Have Life*. Marianne has a large online following and is known for her in-depth, off-beat journalism. Her multiple awards include two as outstanding humorous columnist (South African Comedy Awards), several excellence awards as journalist of the year and best columnist (Media24), a Mondi award for best columnist, and three South African film and television awards for ZANEWS (as head writer).

In line with the lifelong example set by the late Dr Frederik Van Zyl Slabbert as respected politician, business leader, critical thinker and SU Chancellor, the annual FVZS honorary lecture aims to stimulate critical and challenging dialogue about our country and the continent. The event is hosted by SU's Centre for Student Leadership & Structures' (CSLS) FVZS Institute for Student Leadership Development, with financial support from the Konrad Adenauer Foundation.

Students, alumni, friends, partners and benefactors are invited to join us at this year's lecture to share in Ms Thamm's insights as we reflect on the collective impact of youth leadership in South Africa.

Beste vriende van die FVZS Instituut,

Die Rektor en Visekanselier van die Universiteit Stellenbosch (US), Prof Wim de Villiers, nooi u hiermee vriendelik na die jaarlikse Frederik Van Zyl Slabbert- (FVZS-) erelesing. Vanjaar se lesing word gelewer deur die bekroonde skrywer, redakteur, satirikus en rubriekskrywer Me Marianne Thamm.

Me Thamm is assistentredakteur van die *Daily Maverick*, 'n blitsverkoperskrywer, komediant en algemene kommentator. Sy het al verskeie suksesvolle boeke die lig laat sien, waaronder *Hitler, Verwoerd, Mandela and Me* en die verhaal van Alison Botha, *I Have Life*. Marianne het 'n groot aanhang onder die aanlyn gemeenskap en is bekend vir haar deurtastende, sonderlinge joernalistiek. Haar veelvuldige toekennings sluit in twee as uitmuntende humoristiese rubriekskrywer (Suid-Afrikaanse komedieprys), verskeie uitnemendheidstoekennings as joernalis van die jaar en beste rubriekskrywer (Media24), 'n Mondi-prys vir beste rubriekskrywer, en drie Suid-Afrikaanse rolprent- en televisiepryse vir ZANEWS (as hoofskrywer).

In pas met die lewenslange voorbeeld van wyle dr Frederik Van Zyl Slabbert as gerespekteerde politikus, sakeleier, kritiese denker en Kanselier van die US, is die doel van die jaarlikse FVZS-erelesing om kritiese en uitdagende gesprek oor ons land en die vasteland aan te moedig. Die geleentheid word deur die US se Sentrum vir Studenteleierskap en -strukture (SSLS) se FVZS Instituut vir Studenteleierskapsontwikkeling aangebied, met finansiële steun van die Konrad Adenauer-stigting.

Studente, alumni, vriende, vennote en weldoeners word genooi om vir vanjaar se lesing by ons aan te sluit, na me Thamm se insigte te kom luister en saam met ons oor die gesamentlike impak van jeugleierskap in Suid-Afrika te besin.
