

PROGRAM

What kind of policies and agendas do we need to get ready for the digital future?
How can we prepare our workforce and what kind of jobs do we need?

Learn more about these topics at our next Digital Future Talk with Member of German Parliament Tankred Schipanski, who is member of the Commission of the Digital Agenda and the Commission of Science and Technology.

We will also launch the study “Preparing Cambodia’s Workforce for a Digital Economy”, written by Dr. Heng Pheakdey.
