

Policy Dialogue on Reimagining African TVET for Job Growth

The dialogue is invitation-only and will bring together a small group of some of the best minds on TVET in Africa including policymakers, employers, practitioners and those in academia. This is part of a dialogue initiative organized jointly by the Konrad-Adenauer-Stiftung (KAS), the International Organization for Employers (IOE) and the African Center for Economic Transformation (ACET). The dialogue intends to identify concrete policy actions to accelerate the development of digital skills in Africa. [Click here to join the dialogue](#)
