

**Training Program on Renewable Energy
Community-Based Integrated Energy Initiatives (CBEI Phase 3)
26 - 27 May 2016
at Ban Phai CBIRD Center Khon Kaen Province
Supported by
Konrad Adenauer Stiftung**

26 May 2016

08.00 – 09.00hrs.	Register
09.00 – 09.15 hrs.	Opening
09.15 – 10.15 hrs.	Lecture on Renewable Energy and How Solar PV Water System Works by Mr.Anulux Hoesungnern from Provincial Energy Office
10.15 – 10.30 hrs.	Coffee break
10.30 – 11.00 hrs.	Renewable Energy and How Solar PV Water System Works (cont.)
11.00 – 12.00 hrs.	Demonstration on how Solar PV Water System works by CBIRD Ban Phai Team
12.00 – 13.00 hrs.	Lunch
13.00 – 14.00 hrs.	Lecture on Dripping Irrigation and Water Sprinkler Using Solar PV Water System by CBIRD Chakkarat Team
14.00 – 14.15hrs.	Coffee break
14.15 – 16.30hrs.	Lecture on Using Solar PV Water System to Generate Income in Agriculture by Assistant Professor Dr. Krailert Taweekul from Khon Kaen University
16.30 – 17.00 hrs.	Review of the first day training
	Participants stay overnight at Ban Phai CBIRD Center

27 May 2016

07.00 – 08.00 hrs.	Breakfast
08.00 – 09.00 hrs.	Register
09.00 – 10.00 hrs.	How to Install and Operate Solar PV Water System by Mr.Pichai Puttapanayan
10.00 – 10.30hrs.	Travel to Chee Kok Kor Village, Maung Pia Sub-district, Ban Phai District
10.30 – 12.00 hrs.	Observe Solar PV Water System for water pumping – agricultural and domestic use introduce by Mr. Rerngsak Titum (Coffee break at the site)
12.00 – 13.00 hrs.	Return to lunch at Ban Phai CBIRD Center
13.00 – 15.00 hrs.	Conclusion / summary of lessons learned
	- Establish a network on Renewable Energy for Sustainable Development among participants
	- Need assessment for future training by Mr. Wasan Montklang
15.00 - 16.00 hrs.	Certificate handling ceremony by Mr.Sanit Suwannasor
	- Closing
	- Return home safely
