

# LoGIC Project Fact Sheet

## Project Structure

**Overall Objective:** A culture of integrity is established in Local Government Units all over the Philippines

### Specific Objectives:

- In 300 LGUs in the Philippines customized “Integrity Mechanisms” have been developed and are implemented with participation of multi-sectoral local government “Integrity Circles”
- The Philippine “Local Government Integrity Circles” network LoGIC is registered at SEC and is providing regular services of best practice exchange, monitoring and evaluation assistance, inter-communal cooperation and promotion of job-creating investments to its members
- The LoGIC network is nationwide linked through partnerships with civil society actors relevant in the field of local governance
- The LoGIC network has partnered with national agencies working for good local governance and has supported related legislation on improved local governance

**Result 1**  
300 LGUs have improved their local governance situation through the support offered to them in the LoGIC network

**Result 2**  
The majority of the relevant local governance civil society actors have connected their activities with LoGIC

**Result 3**  
Improved integrity in the LGUs involved has strengthened confidence of investors and led to increased number of jobs

**Result 4**  
LoGIC and its partners are assisting national agencies in implementing their governance programs more effectively

- Activity 1:** Interactive website and social media tools for regular exchange of best practices and intensive communication between LoGIC network members and connected partners
- Activity 2:** Orientation workshops followed by regular consultation for new members of LoGIC on the methodology of drafting Integrity Mechanisms and setting up multi-sectoral Integrity Circles
- Activity 3:** Three Workshops with civil society actors relevant for local governance to design cooperation mechanisms with LoGIC and include their approaches in best practice exchange
- Activity 4:** Development in cooperation with the CSC of model training courses to be offered yearly in LGUs on integrity and local governance to civil servants, including barangay officials
- Activity 5:** Regular consultative meetings between LoGIC and DILG, CSC, COA, DTI, Ombudsman on increasing effectiveness of local governance efforts based on LoGIC’s experiences
- Activity 6:** Regional workshops with LGU stakeholders on investment readiness reporting system and Regional Business Opportunities Fora on investment promotion with members of LoGIC, which have progressed in developing a sustainable culture of integrity as a crucial condition for save investment

This project is co-funded by the European Union.

A Project implemented by the consortium: Konrad-Adenauer-Stiftung (KAS), European Chamber of Commerce of the Philippines (ECCP), Centrist Democracy Political Institute (CDPI), League of Cities of the Philippines (LCP), League of Municipalities of the Philippines (LMP) and League of Provinces of the Philippines (LPP).
