

# Jordanian Opinion

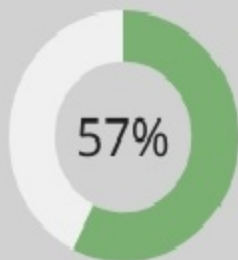

Poll Conducted by the Centre of Strategic Studies  
May 30, 2021

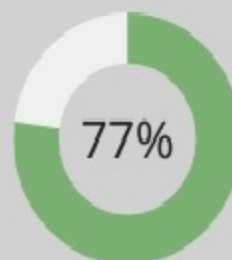

Financial and  
administration  
corruption is  
widespread

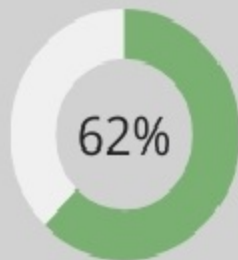

Government is not  
serious in combating  
corruption

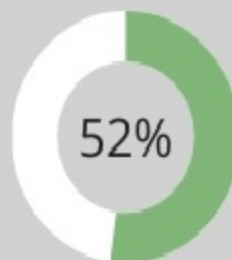

Do not trust the  
current  
government

Jordanians believe in  
the government's  
ability in managing  
the corona crisis

Jordan's economy is  
worse in 2021 compared  
to last year

Freedom of expression  
and the press not  
guaranteed in Jordan

☞ The Palestinian issue, economic conditions, regional wars and conflicts and repercussions of the pandemic topped regional issues for Jordanians. ☞
