

Social Market Economy

A Flash Introduction of the concept
by the Konrad-Adenauer-Stiftung

Who are we?

- Konrad-Adenauer-Stiftung (KAS)
 - ❖ Political foundation
 - ❖ Think Tank
 - ❖ Consulting Agency

What is Social Market Economy?

A different way of understanding the links connecting **society**, **state** and **economy** than mainstream economics.

Under Social Market Economy these sectors are **interlinked** entities which cooperate with one another towards development and sustainability and not separate units that never mingle.

What do we do?

Organize an intense one week seminar where we

- Explain the concept of Social Market Economy through theory and interaction
- Support you with guidance on material if you are interested to expand your knowledge

for this you can apply... after our

In this respect

We would like to invite you to our introductory presentation of the Social Market Economy model

**In IDIS, Hill 3-5
on Tuesday 16.12.2014 at 13.00**

Come

Listen to our concept

And if you are interested you may follow us into our week long seminar.
