Pattern creation for Shubak by Delfina foundation and in colaburation with Tashkeel

Art Jewellery Collection

Inspired by local environment, nature and deep rooted traditions

The Eternity Collection

The eternity collection is inspired by the desert...
The sand patterns truly capture the language of the wind...
It captures the hammer technique where a sheet is transformed into 3-D shape.

Emirates Collection

The emirates collection reflects The UAE in it's generosity, dignity and traditions,, showing Azza's contemporary expression towards U.A.E...

Art Jewellery Collection

Desert Springs Collection

A combination of Eternity and Life collections lines and circles, Combining the elements of earth and water in a harmonic mixture of past, present and future lines...
Two philosophies fused together...

Life Collection

Inspired by water ...
The life collection is an expression about life ...
...
The circles provide a visual display of love ...
Movement in pieces reflects changes in everyday life...
Movement in pieces adds life to it and reflects changes in everyday life.

Art Jewellery Collection

Bareq Al Oud Collection

The curvy shapes, the color of each piece and the smell makes it unique. This precious wood is just like a gem in many ways , a gem can't be.

Marine Symphony collection

Inspired by the sea ...
Crafted in an ancient technique from cuttlebone...
The lines capture the textures and patterns of the marine...
Providing exquisite one of pieces that both intrigues and delights...

Art Jewellery Collection

Angle Tears Collection

This collection is dedicated to the memory of the divers that risked their life in harvesting the oyster beads for the rare natural pearl from the Arabian Gulf.

The trip would start in April and end in September. Each piece will tell the story of the struggle with the elements in nature that has faced the divers every second of their life on the conquest to find the rare gem.
