

Call for Participation: role models for social change film

Are you a politician, entrepreneur, or social change activist? Konrad Adenauer Stiftung (KAS) Kenya Office is looking for a role model who has impacted the society in their own small but special way. Stories that we do not get to hear and which happen away from Nairobi. Real stories of struggle for good governance both in the field of politics, environment and economic inclusion among other areas that you may best understand.

We would like to develop a film with you, about your contribution and to motivate others to understand why efforts like yours are important to humankind.

If you are interested in working with us on a short film, please send us a one page bio embedded with your passport size picture that describes who you are, and why you think you need to feature in this film.

Please send your bio by end of 23rd June 2019 to: Jeanette.nyanjom@kas.de and copy Edwin.ottichilo@kas.de. The mail subject should bare the following title 'positive role model'
