For our activities & projects between April and June we are looking for additional support in the area of digitalisation (e-governance, Smart Cities) to facilitate the planning, budgeting, implementation and evaluation of several events. The Project Manager will be employed on an honorary basis of 20 hrs per week for the duration of three months.

Required Qualifications, Experiences, Skills:

- Bachelor's degree in IT, machine learning, social science, political science, management or other related fields. Master's degree is a major plus.
- At least 3 years of relevant work experience in project planning, budgeting, and implementation. Handling of public funds coming from German ministries (BMZ, AA) is an asset.
- Good knowledge of data governance and policy in Asia and Europe (i.e. GDPR) as well as monitoring recent developments on Ai development and regulatory affairs.
- Fluency in English. German language is an advantage.
- Good organizational and interpersonal skills as well as service-minded attitude.
- Ability to multitask and prioritize tasks effectively.
- Identification with the background and values of KAS.
- Willingness to travel for conferences in the Asia-Pacific Region. Applicant ideally located in close vicinity to Singapore.

KAS offers:

- A varied area of responsibility in an international environment.
- An appropriate remuneration with regard to the requirements.
- Flexible working arrangement (remote work, unless for conferences).
- Integration into the wide KAS network worldwide.

Terms and conditions:

- Timeline: Start 1st of April until 30th of June
- Workload approx. 20 hours per week
- Only short-listed candidates will be contacted for interview.
