

## **Service Call: We are looking for a Film Production Team for KAS Ghana 60th Anniversary Documentary**

KAS Office Ghana is looking for an experienced film production team to produce a 15-minute documentary film celebrating the 60th anniversary of KAS Ghana. The assignment includes filming interviews with KAS partners and high-level regional experts in Accra, as well as the complete editing and post-production of the final documentary.

### **Detailed Description**

KAS Office Ghana is seeking a professional and experienced film production team to produce a documentary film marking the 60th anniversary of the Konrad-Adenauer-Stiftung (KAS) in Ghana. The film will be presented during the anniversary event in October 2026. The documentary will have an approximate length of 15 minutes and will tell the story of KAS Ghana's work and impact over the past six decades. The film should combine historical archive materials, including photographs, videos, and other available materials from the KAS Ghana office, with contemporary interviews featuring individuals closely associated with KAS and its work in Ghana.

The aim is to create an authentic documentary-style film, rather than a traditional promotional or image video. The focus should be on storytelling, personal perspectives, and historical reflection. The voices and experiences of the interviewees should guide the narrative, supported by suitable voice-over elements and visual materials.

### *Target Audience:*

- Partners and individuals who have been connected to KAS Ghana's work throughout its history
- International partners and stakeholders of KAS
- A global audience interested in the foundation's work and cooperation in Ghana

### *The selected film production team will be responsible for:*

- Filming and producing approximately 15 interviews with individual high-level regional experts and KAS partners, connected to KAS Ghana's work in 3-4 days in Accra.

- Providing professional camera, sound, and production equipment suitable for a high-quality documentary production.
- Supporting the development of the documentary structure and storytelling approach
- Reviewing and integrating existing KAS Ghana archive materials, including historical photos, videos, and other relevant content
- Completing the full editing and post-production process
- Delivering the final 15-minute documentary film ready for presentation at the 60th anniversary celebration

*Timeline:*

- Interview filming: August 2026
- Final delivery deadline: End of September 2026
- Film presentation: KAS Ghana 60th Anniversary Event in October 2026

*Required Profile of the Film Production Team*

KAS Ghana is looking for a reliable and creative production team with proven experience in:

- Documentary filmmaking,
- Conducting and filming interviews with high-level personalities,
- Storytelling and historical documentation,
- Professional video editing and post-production.

The team should be capable of managing the entire production process in close consultation with KAS Ghana. This includes, filming, editing and final delivery. The final production should present a historical and in the same way modern contemporary engaging documentary that captures the history, achievements and lasting impact of KAS Ghana.

**Hand in your application and concept no later than 1<sup>st</sup> August 2026, including a detailed budget.**

**Thank you!!**
