

4th Study Programme in Vienna
June 30th - July 5th 2025

STRENGTHENING THE NUCLEAR IQ

DETERRENCE, NON-PROLIFERATION AND ARMS CONTROL

The **Konrad-Adenauer-Stiftung Vienna**, together with **Atomic Reporters**, are inviting you to take part in the 4th edition of our four-day Study Programme in Vienna from June 30th to July 5th 2025!

Receive essential knowledge about nuclear weapons, energy, non-proliferation and arms control in a nuclear-armed world with an outlook into the future in a lively group setting!

Under the guidance of renowned professionals, researchers and international officials, you will acquire expertise in:

- current nuclear issues and risks
- basic concept and notions in the nuclear realm
- the history of nuclear armament and disarmament
- core relevant international documents
- legal background

Expenses (travel, accommodation, visa, meals) will be covered by the organisers.

Additionally, you will participate in technical visits to **international organisations** (IAEA, UNODA, CTBTO, IAEA Laboratories Seibersdorf) in Vienna!

ELIGIBILITY:

- academic background (undergraduate or graduate) in International Relations, Security Studies, Journalism, Military, Diplomacy, or other relevant fields
- political engagement is advantageous
- age limit is 35

APPLICATION:

- complete & submit the application form by May 18th 2025
- attach your most recent CV (PDF maximum 2 pages)
- upload a short video (2 min maximum):
 - What is your motivation for attending this Study Programme?
 - How can your experience and/or skills contribute to the discussion?
 - How will you use knowledge and skills acquired through this Programme for your current professional responsibilities and/or future career?

We are looking forward to receiving your application!
